

Remarks

Applicants wish to thank Examiners Chaney and Tsang-Foster for their helpful comments and suggestions provided during the Office Interview on September 23, 2008.

Applicants hereby cancel all pending claims (Claims 89-121) and add new claims 122-163. Claims 89-121 are canceled without prejudice and in effort to further prosecution of this application in view of the Office Interview and in response to the Interview Summary issued by the Patent Office (copy attached). Support for these amendments is found in the claims as originally filed and in the specification as filed.

As stated before, Applicants also submit an executed Power of Attorney with this Amendment and Response.

Applicants respectfully submit that the new pending claims address all outstanding objections and rejections, and that the new pending claims are in condition for allowance, which is respectfully requested. If there are any questions regarding these remarks, the Examiner is invited to contact Applicant's representative.
